CRYSTAL CATHEDRAL ACADEMY ENROLLMENT AND REGISTRATION

The Crystal Cathedral Academy admits students of any race, color, sex, national and ethnic origin to all rights, privileges, programs, and activities generally accorded to be made available to students at the Academy. It does not discriminate on the basis of race, color, sex, or national and ethnic origin in the administration of its educational policies, admission policies, scholarship, athletic, and other Academy-administered programs. The Management Team is the decision making body for extraordinary and unique situations. The ultimate decision is to be based on the behavior and capability of the child and the cooperation of the parents/guardians.

Registration fees are non-refundable.

KINDERGARTEN APPLICANTS MUST BE 5 YEARS OLD ON OR BEFORE SEPTEMBER 1ST.

Any child who does not test ready for Kindergarten will not be accepted, and all fees will be returned. The decision of the Principal, the Advisory Board, and the testing results will determine Kindergarten entrance, if there is a question of readiness. All applicants must be self-sufficient regarding communicating, toileting, feeding, and dressing. A 6–9 week probationary period will be in effect to assure positive adjustment of applicant to C.C.A.'s program.

FIRST GRADE APPLICANTS WHO ARE NOT 6 YEARS OLD ON OR BEFORE SEPTEMBER 1ST MUST BE SCREENED FOR READINESS BY CHANCEY & BRUCE.

REGISTRATION PROCEDURE FOR NEW STUDENTS SEEKING ENROLLMENT

STEP 1: APPLICATION

A student application for enrollment is to be filled out in its entirety.

A \$500.00 REGISTRATION FEE (non-refundable) is required to reserve a spot.

This does not guarantee admission.

STEP 2: INTERVIEW

Upon completing the student application, an interview appointment with the Principal will be made. Both parents and or guardians (if possible) should attend this interview. Completing this step does not ensure final enrollment. During school hours (September–June/Monday–Friday/8:30 am–3:15 pm) we try to arrange a time when prospective students and their families can visit classes and meet and visit with the teachers. This is not possible during the summer months. At the interview, we try to answer as many of your questions as possible and, hopefully, get to know one another a little better. We are as interested in the student's family as we are in the student. It is important for the Academy to understand your expectations of the Academy as well as your understanding of the Academy's expectations of you and your child/ren.

STEP 3: TESTING

Your child/ren may be evaluated to determine placement. Additional testing will take place the first month of school to determine where to start working with your child/ren.

STEP 4: LETTER OF NOTIFICATION

Based on interview and testing results, families will be notified by mail if they are accepted into the Academy.

report card. The appeal is to be made following the Academy's "chain of command" policy (1: Teacher, 2: Administrator, 3: CCA School Board).

HONOR ROLL & ACADEMIC ACHIEVEMENT

Honor Roll 3.5 to 4.0 cumulative GPA
Academic Achievement 3.0 to 3.49 cumulative GPA

All averages include art, music, drama, physical education, music, and Bible. In 4th and 5th grades ALL subjects require a GPA of 2.0 or above to be eligible for Honor Roll or Academic Achievement. No more than four unexcused tardies per quarter will be permitted for an Honor Roll student. A community violation will result in losing Honor Roll or Academic Achievement status for that quarter.

ACADEMIC ELIGIBILITY FOR MIDDLE SCHOOL ATHLETIC PARTICIPATION

Basic Eligibility Criteria

A student must maintain a minimum 2.0 GPA for all courses taken, as is required at the High School level by the California Interscholastic Federation (CIF). All courses taken would count toward GPA calculation. Second semester GPA will dictate initial eligibility for participation on a CCA team (e.g. flag football, girls' basketball) at the beginning of the next school year. If a student does not have a 2.0 GPA at the end of the school year, they will start off the fall season on probation. This will, also, apply to new/transfer students who do not have a 2.0 GPA or above at the school they previously attended.

Jr. High Eligibility Determination

Eligibility will be determined by quarterly report cards and mid-term progress reports. A student who achieves or maintains a 2.0 GPA or higher on their report card/progress report will be considered eligible for athletics participation until the next report card/progress report.

Jr. High Probation

A student whose overall GPA is below a 2.0 will be placed on probation. A student on probation may practice and play in league sanctioned games until the next report card or progress report. If, at the end of the probation period, the student has not achieved at least a 2.0 GPA, they may not practice or play in any other league games for the remainder of the current season or for the portion of the subsequent season (new sport) until they achieve the minimum 2.0 GPA on the next report card or progress report.

Jr. High Ineligibility

Probation period extends from the report card/progress report where a 2.0 GPA is not achieved until the end of the next grade report period. If, at the end of the probation period, the student has not raised his/her overall GPA to a least a 2.0, he/she is then academically ineligible for the remainder of that season. This suspension will remain in effect until the next official grade report when achievement of a minimum 2.0 GPA will result in reinstatement to eligible status.

ASB OFFICE AND REPRESENTATIVE GUIDELINES

1. Students must have a 2.0 grade point average.
2. Students are allowed to create two posters that need to be approved by either the Activities Director or the office.
3. Students must let the activities director know they are running the week prior to the campaigning week. This will insure their names go on the election ballot.
4. No items may be passed out for campaigning purposes (examples: stickers, candy, water bottles, suckers, etc).
5. Students are responsible for taking down their posters after the campaigning is over.

PARENT-TEACHER CONFERENCES

Conferences are set up by each teacher individually, as they are aware of their schedules and appointments. Call and leave your name, number where you can be reached, and a brief reason for the conference. The office staff will then place your message in the requested faculty in box. **Do not contact your student's teacher at his/her home.** When a conference is scheduled, the registering parent is expected to attend. Only registering parents are to be in attendance at parent-teacher conferences. Any additional parties need to be cleared by the office prior to the conference. Teachers are not available to conference in the "Halls"; a scheduled appointment will ensure a one on one conference with your student's teacher and the privacy that is required.

PROGRESS REPORTS

The purpose of our reporting system is to give parents and students an indication of the progress that is being made. Each student's ability, attitude, application, and achievement are taken into account for grading. Progress reports will be mailed home to the student's primary address.

Please do not compare your student's grades with those of other students.

HOME WORK

Well-defined, purposeful homework is an important aspect of schooling. One of its major contributions is in the area of developing independent study habits and techniques. **RESPONSIBILITY FOR HOMEWORK LIES WITH THE STUDENT** (not with the teacher or parent) as development of self-discipline and sound independent study habits is essential for future scholastic and vocational success. The amount of time needed will depend on the nature of the course, and upon the way the student utilizes his/her time, both at home and at school. Parents please note: While we encourage your parental involvement in your student's education, please remember teachers are working with and grading your student at their grade level standard. It is imperative that the work turned in by your student(s) be work done to the best of their ability.

SUMMER SCHOOL

We strongly recommend summer school at CCA for students who have received a "D" or "F" in their core English or Math classes.

DISCIPLINE PLAN

The discipline plan at the Crystal Cathedral Academy consists of positive and negative consequences. Each part is described below.

GRADES K-5th

CARE & KINDNESS COUPONS (BLUE SLIPS)

Care & Kindness Coupons will be given to students for positive behavior. They will be given when a child has gone beyond the stated expectations or has shown growth either in academics or in behavior. Random acts of kindness would receive a Coupon. When a student has received fifteen Coupons, they visit the Principal and receive token reward. A certificate will also be awarded to the student during School Family.

BENCHED MARK (PINK SLIPS)

Students can receive Benched Marks for a variety of reasons. A teacher or an aide can give a student a Benched Mark for any behaviors that threaten the positive environment of the school. An example of a Benched Mark could be extensive talking in class. It could be for saying something rude to another student. The consequence for receiving a Benched Mark is determined by the staff member issuing the violation and/or the Principal. The Benched Mark is sent home to be signed by the parent. A copy of the mark kept on file. A student can receive any amount of these marks, without incurring any other consequences. If a pattern emerges as to a persistent undesirable behavior, a conference may be called to discuss interventions or strategies for dealing with that specific behavior.

COMMUNITY VIOLATION

A student will can receive a C.C.A. Community Violation for the following reason:

- *Fighting
- *Profanity
- *Harassment
- *Disrespect to adults
- *Stealing
- *Destruction of property

The consequence for receiving a C.C.A. Community Violation will be decided by the Teacher and Principal. The consequence will be an expulsion, suspension, a fine, or possibly work hours. The amount of suspension, fine and/or work hours will depend on the age of the student as well as the severity of the violation. The fine will be an amount that the student can earn.

MIDDLE SCHOOL (6th – 8th GRADES)

DETENTION NOTICES

Detentions may be given for:

1. 4 or more unexcused tardies (a tardy can be received for each period).
2. Excessive talking
3. Disobedience / Disrespect / Disturbing class
4. Poor attitude
5. Mischief
6. Littering

The consequence of a Detention is a DH (Disciplinary Hour). If the student does not served the DH, the DH will be doubled. Repeated detentions, (DH's) can result in further disciplinary steps, up to and including expulsion.

DETENTION AWOL POLICY

You are considered AWOL if you fail to report for a detention/DH at the designated time, unless the Detention hour supervisor receives prior notification.

1 st AWOL	1 Detention Hour
2 nd AWOL	2 Detention Hours

ATTENDANCE: “EXCUSED AND “UNEXCUSED” ABSENCES

When a child returns to school following an absence, a written note signed by the parent is required explaining the nature of the absence. A phone call is not sufficient. K–5th grade students need to give absence note to their teacher. 6th–8th grade students need to bring their absence note to room #119 (HS Library) before their first period class the day they return. The office will determine “EXCUSED or “UNEXCUSED” absences. An unexcused absence will result in a partial credit for work completed within the Academy guidelines. An excused absence will result in full credit for the work completed in the school guidelines. The guidelines appear under the title “Making Up Missed Schoolwork”.

Please do not send your child back to school too quickly following an illness. Children should be free of vomiting, diarrhea, and fever for a minimum of 24 hours. For the same reason, parents are asked to make immediate pick-up arrangements for their child when notified that he/she is ill.

If your child is going to be absent for reasons other than illness, you must request approval in **ADVANCE** from administration. Without this advance approval, the absence will be considered “unexcused” and make-up work will not be accepted.

Lack of attendance, even when excused, can affect academic performance. If there are more than five unexcused absences per quarter, a letter will be sent from administration. If absences continue there will be a meeting set up and probationary status is possible.

TARDIES

Children must be taught to be at school on time. They miss important concepts being taught and daily announcements when they are tardy.

K–5th grades starts promptly at 8:25AM. Students will be marked tardy after 8:30 AM.

Middle School starts promptly at 8:25AM. Students will be marked tardy after the 8:30 bell.

Students are to be in their seats and ready to work at that time.

Tardiness will be excused for a valid reason when a note is written and signed by a parent explaining the reason. Valid reasons are those times when medical or dental appointments are made before school hours or unexpected emergencies arise. A doctor’s note may be required if tardiness is excessive.

After four unexcused tardies per quarter, parents may be notified of consequences, see Detention Notices & Benched Marks. Frequent tardiness without a valid excuse is considered truancy under California laws.

Promptness to class, like regular attendance, is important to success. At the same time, we realize that there will be times when you are unavoidably late to class. Consequently, we have adopted the following plan for each nine week period.

4 th Tardy	Letter home on the 4 th tardy
5 th Tardy	1 Detention Hour/Benched Mark
6 th Tardy	1 Detention Hour/Benched Mark
7 th Tardy	2 Detention Hours/Benched Mark
8 th Tardy	Parent Conference to determine further course of action. Possible actions: suspension or loss of class credit.

MAKING UP MISSED SCHOOL WORK

K–5th GRADES

All schoolwork missed, including tests, must be made up. It is the student’s responsibility (not the teacher’s) to ask the teacher for his/her make-up work. It is the student’s responsibility to complete his/her make-up work, within twice the amount of time missed (if absent two days, student has four days to make up work missed). The student will receive full credit for “excused” absence make-up work (unless it is turned in after the

above mentioned deadline). The student will receive partial credit for “unexcused” absence make-up work and for work turned in past the deadline.

In the event of planned absences (medical appointments, family trips, etc.), assuming approval has been given (administrator), ample lead time must be allowed for teachers to provide assignments. Parents must not expect assignments for longer than one week since teachers are not required to prepare detailed lesson plans more than one week in advance. Teachers are not expected to prepare assignments in advance for “unexcused” absence. Students involved in drama productions are required to turn in all tests, quizzes, and school work on time.

MIDDLE SCHOOL 6th–8th GRADES

Homework:

Students are graded based on their performance on each homework assignment.

Failure to have it turned in on time results in a loss of 50% off their grade on that assignment. On time means beginning of class period. Failure to turn it in by the end of the following day results in a zero and cannot be made up at a later date.

Projects, Essays, and Research Papers:

Students will be docked 10% (one letter grade) per day their project or paper is late.

Tests and Quizzes:

Students who miss tests or quizzes due to absence will be required to make those up during lunch, after school, or during class if the teacher permits.

Extra Credit and Re-Do's:

These policies vary from teacher to teacher. All offer some form of extra credit.

Students who miss a test or quiz due to a school event (field trip, mission project, etc.) will have until the end of the next school day to complete and turn in.

Students involved in drama productions are required to turn in all tests, quizzes, and school work on time.

HEALTH SERVICES

ALL faculty/staff members are trained in first aid for minor emergencies. If a student is not feeling well, the Teacher will determine if the student needs to be sent home. Parents will be called for immediate pick up. A fever of 100 degrees or over and/or vomiting will result in the student being sent home immediately. Students

Medication sent from home, Prescription or “Over the Counter”, is only administered when the Medication Administration at School Form is completed by the parent/guardian. (Available in the CCA Office) Students may not have any medicine including over the counter drugs, (EI: cough drops, inhalers, Midol) in their possession. Parents must turn in all medicine to the office.

PARENTS ARE RESPONSIBLE FOR KEEPING “EMERGENCY CONTACT” INFORMATION CURRENT.

FAMILY COMMITMENT & ADDENDUM

Crystal Cathedral Academy & High School Family Commitment

We have read and understood the Crystal Cathedral Academy & High School’s Philosophy of Education, which are set forth in the Student Handbook. We are in agreement with the Biblical beliefs expressed in the School’s “Philosophy of Education.”

We understand that in choosing a Christian setting for the education of our child the Crystal Cathedral Academy &

High School believe that is important for us to be responsible to establish and maintain a home and life environment which will support the Biblical teachings and beliefs of the Crystal Cathedral Academy & High School. We agree that our role as parent/legal guardian is crucial to the academic growth and success of our child and we will seek to be an example of beliefs taught by the Crystal Cathedral Academy & High School. We, as parents, accept the challenge to train up a child in the way he or she should go (Proverbs 22:6), and we do state that this training will be carried on in the home. We place our trust in the Crystal Cathedral Academy & High School to extend that training more completely.

We understand that in an era where images of family relationships and personal sexuality are often confused and distorted, the Crystal Cathedral Academy & High School believes that it is important to teach and model the biblical view. We understand that the Crystal Cathedral Academy & High School teaches with an age-appropriate curriculum, that sexual intimacy is intended by God to only be within the bonds of marriage between one man and one woman, and that it is in the context of a loving marriage between one man and one woman that God intends children to be born and raised. We acknowledge that we have been informed about the Crystal Cathedral Academy & High School policy and we agree to cooperate with the Crystal Cathedral Academy & High School in seeking to achieve its objectives in this regard.

We recognize that, as parent of a child at the Crystal Cathedral Academy & High School we will be given opportunities to participate in the education of our child through presence on the school campus, or involved in school activities.

We recognize that the Crystal Cathedral Academy & High School believes that the words and conduct of adults within the school setting can have an important influence on the growth and development of the students, and the ability of the Crystal Cathedral Schools', to achieve its spiritual and academic view and objectives, and we agree that we will support them, both in word and deed, while on the school campus, or involved in school activities.

We hereby state that we have made a through investigation of the Crystal Cathedral Academy or High School program, curriculum, discipline, dress code, policies and procedures and we agree to make them our glad-hearted choice for the coming school year. We agree to abide by them and support the school in the established rules and regulations. We understand that failure of the parents or child to comply with the established regulations and discipline, or failure to meet financial obligations will forfeit the student's privilege of attending the Crystal Cathedral Academy or High School.

Unresolved issues will be taken care of by using the Crystal Cathedral Academy & High School "chain of command" (1/Teacher, 2/Administrator, 3/ School Board).

We understand that we have an obligation to be actively involved in the education of our children. We agree to uphold and support the high academic standards of the Crystal Cathedral Academy & High School by providing a place at home for our children to study, and to give our child encouragement in the completion of homework assignments.

We will faithfully support the Crystal Cathedral Academy & High School through our prayers and positive attitude, and in keeping with Matthew 18:15 we are committed to giving a good report by sharing any complaints and negative comments only with the people involved.

We believe that discipline is necessary for the benefit of each student as well as for the entire school. We give permission to the teachers and administration to make and enforce regulations in a manner consistent with Christian principles and disciplines as set forth in the scriptures (Proverbs 13:24; 29:15 and 17; Colossians 3:20; Hebrew 12:5). We further agree that we will cooperate and discipline our child in the home as needed. We further agreed to abide by the Discipline Plan set forth in the Crystal Cathedral Academy or High School Handbook.

We pledge that if, for any reason, our child does not respond favorably to the Crystal Cathedral Schools, we will do everything in our power to cooperate with the Crystal Cathedral Schools to help make necessary adjustments. If these adjustments cannot be made, then we agree to quietly withdraw our child. We agree to pay our tuition on or before the first of each month beginning with the 1st of July and continuing for 12 months. We understand that a late charge will be added to my monthly amount, if payment is not made by the 10th of the month. We understand that failure to pay can result in the dismissal of my child from school. We further understand that there is an added charge for returned checks and for early drop off and late child pickup. It is the policy of Crystal Cathedral

Academy & High School to make no refunds of fees or tuition payments once a child has been accepted for enrollment, or if a student is expelled.

We understand that assessments will be made to cover damages to the school, including breakage of windows, book damage, and abuse of other personal property caused intentionally by any student.

We will support the Crystal Cathedral Academy & High School by involvement in Parent-Teacher conferences, Open house, Parent-Teacher Fellowship activities, workdays, and other Academy & High School sponsored meetings and activities.
