COLLEGE GROUP: SUMMERTIME

By Mark Wojciechowski, Leader

Throughout the summer, we'll have some special beach nights, etc., so for more info and exact details, please e-mail me at markw@crystalcathedral.org.

Very soon we'll be starting a bimonthly openmic night where people can share their creative side through live music, singing, artwork, poems, spoken word, rap, dance, etc. We'll explain our inspiration for the pieces and since the word "inspiration" means literally to "breathe within" or to give life to, we'll see how creative the Creator is in and through His own creation even as we create. Sound like fun? You can participate, or join in the enjoyment of others' creative expression. Join us!

If you're college age (18-29) and looking to connect with others your age, please join us on Sunday nights, 6 – 7 PM in the Youth House. We are devoted to diving into God's Word and connecting with others who are college age.

states, “Do not use liberty as an opportunity for the flesh, but through love serve one another.” Only when we expend our energies on loving God and helping others, do we experience true freedom.

This country didn't start out as a nation of free men, but as subjects bound under the tyranny of an unfair English king. Through a bitter struggle our forefathers broke those chains of bondage. Our freedom was purchased in blood on the battlefields of Bunker Hill, Yorktown, and in the numbing cold of Valley Forge. Freedom is never without sacrifice.

But there is a far greater freedom we should give thanks for today: the freedom that comes from being born again into the family of God. Our spiritual freedom came at great cost – it cost the blood of God's only Son. Because of His great sacrifice we, as followers of Jesus Christ, have a freedom that others do not – the freedom from sin and death.

Together, let's thank God for the wonderful freedom we enjoy as citizens of this great country. But even more, let's stop and thank Him for the incomparable freedom we have in Jesus Christ!

cluding countries where religious freedom is but a dream. It was the largest graduating class in seminary history, with 800 graduates in all including 187 joining Bobby in receiving their M.Div degrees.

Included among the speakers that day was Bobby, sharing his passionate testimony about a fiery Pentecostal preacher who witnessed to him near Disneyland and strengthened him in his own Christian commitment and inspired him to do a great work for God.

The seminary president, Dr. Richard Mouw, encouraged the graduates to continue to testify to the simple message of Jesus, reminding them that throughout the biblical story, the people of God continued to discern the voice and acts of God. He reminded graduates to point to God as the source of hope, meaning, and the real reason for any accomplishment in their lives, with the admonition that they should always tell others that “It's Him again” throughout their ministry careers.

If Jesus could have spoken at the commencement, he may very well have repeated the empowering “Great Commission” that he gave to the eleven disciples just moments before he was taken up to heaven (Matthew 28:18b-20, TNIV): “All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

HOURLY OF POWER

Hour of Power Marks 2000th Broadcast

June 1, 2008, marked the 2,000th consecutive episode of the *Hour of Power!* Our weekly church service has been broadcast from our ministry to the nation and eventually the world since 1971, led by our founding pastor Dr. Robert H. Schuller and our Senior Pastor Rev. Robert A. Schuller. It all began in 1970 when the esteemed and beloved Rev. Billy Graham encouraged Dr. Schuller to televise his church services.

Hour of Power, the fourth longest-running weekly TV program in history, is the most-watched Christian broadcast, with 20 million people tuning in each week to telecasts on Lifetime, the Trinity Broadcasting Network, more than 100 local broadcast affiliates, the Armed Forces Network, as well as cable and satellite systems in 50 countries on every continent. It was also the first Christian broadcast to be licensed for airing in the post-Perestroika Soviet Union.

Episode No. 2,000 featured the world-premiere performance of "Gloria," composed for the event by Hollywood film scorer Mark McKenzie.

INTERNATIONAL MINISTRIES

New Zealand – A Growing Ministry

By Nancy Goodwin, General Manager, Hour of Power New Zealand

Six years ago, the New Zealand ministry moved to new offices – about 650 sq. ft. We thought we had reached the Promised Land and reveled in the space!

What has happened since? The ministry has grown! Our *Hour of Power* coverage throughout the country is almost 100%. Year by year, the number of viewers has increased and we have become a completely self-supporting ministry. This "growing" also means "outgrowing." Yes, we have outgrown our space, our lease has expired, and it is time to move on...

Not far from our current office is

a respected organization with which we have collaborated in the past. They reside in a new building and, to our amazement, when visiting recently, one of our staff members saw a "For Lease" notice on one of the building's offices. "This is it!" How right she was. The space available is ideal. Negotiations have commenced!

Moving means cost so, in good *Hour of Power* tradition, we are stepping out in faith to make this place our own. Please pray that we will follow the Lord's leading in each decision every step of the way.

SHORT-TERM MISSIONS

Short Term Missions Bless the World

In 2008, we're offering many opportunities to bless people around the world through short-term missions. Already this year we have traveled to the Dominican Republic to help build homes through Habitat for Humanity, assisted a Pastor in Tanzania, and Bobby Schuller lead a group to Nepal. Future trips include those to minister to orphaned boys in Tecate, Mexico. If you aren't

called to go on a mission trip, you may want to consider sending others to do God's work. For more details, contact Pastor Beverly Muffin at 714-971-4325.

The New Zealand ministry staff is small in size, but meeting the needs of thousands of Hour of Power viewers.

PRAYER COMMUNITY

crystalcathedral.org/prayer

"As a body of believers, God has called each of us to pray, and to pray for one another," says our Senior Pastor Robert A. Schuller. "So it's fitting that

at the core of this global Crystal Cathedral church is a new worldwide online Prayer Community. Prayer is simply talking with and listening to God. It can be done privately or with other believers - any time and anywhere."

If you haven't already done so, Pastor Schuller invites you, today, to log onto and join this Prayer Community to:

- Submit prayer requests to all Prayer Community users or to a confidential prayer team.
- Respond electronically to the prayer requests of others.
- Maintain your own Prayer Journal of your prayer requests, responses received, and people you're praying for.
- Develop spiritual friendships with other participants.
- Grow in your understanding

of prayer through online resources.

"It's my prayer," he continues, "that as you open the door to this online 'house of prayer,' God will bless you where you need the blessing the most."

NEWHOPENOW

www.newhopenow.org

If you're ever feeling alone and need someone to talk with, 24/7 you can chat privately with a New Hope Counselor. Crystal Cathedral New Hope's volunteer crisis counselors are caring Christians who want to support you in your time of need.

Also available at New Hope Now are encouraging articles, the "Ask Dr. Bill" column, and self tests on a range of topics, including compassion fatigue, relaxation techniques, and anxiety.

More Coming Soon

Our Senior Pastor Robert A. Schuller recently announced plans to expand the online availability of our ministry's *Hour of Power*, the world's first, longest-running, and most-watched weekly-televised church service. The church plans to significantly increase access to many of the most popular *Hour of Power* broadcasts and make them available "on demand." The new media initiative will include robust key word search capabilities and expanded options to download programs to portable media players, allowing our growing audience the ability to watch programs on their own terms.

"Since my father, Dr. Robert H. Schuller, founded this ministry in a drive-in theater, we've dedicated ourselves to delivering to people a positive message of hope, wherever they are," said Pastor Robert A. Schuller. "In that spirit, we were first to take our weekly services to a mass audience via television, at the suggestion of Billy Graham. Expanding our ministry online is the next step in our commitment to connect people in new and creative ways."

Our ministry has tapped into the insights and services of Emmy-winning broadcaster and long-time *Hour of Power* viewer Errol Smith to be the architect for the new media initiative, dubbed, "Connecting YOU to God, Wherever, Whenever, However!™" The projected launch for the new media expansion is this coming fall.

CRYSTAL CATHEDRAL

Community Missions Update

Encouraging the Children of Our Community

By Gudelia Ramirez, Pastor of Community Missions, Congregational Life

June was wonderful month for Lampson School and the Crystal Cathedral for we had the opportunity to celebrate the achievements of super-star students and the teachers who encouraged them.

During the 2007-2008 school year, the students read a total of 2,306,555 pages, surpassing the reading goal that had been set for them and we helped them celebrate! The Crystal Cathedral sponsored an ice cream party, supplied one summer reading book for each student, and awarded 12 bikes to top readers in each class. Our Executive Pastor Jim Poit, who served as the emcee for the event, encouraged the children that he could see their school from his window and that he thought of them often. Then, as the bicycle awards were about to be announced, his excitement and enthusiasm became contagious - the children jumped up and down and giggled in joy as they anticipated which child would receive the next bike.

Another special moment that day happened when the Crystal Cathedral carillon bells rang, prompting the principal to share how nice it was to hear that glorious sound every morning, bringing peace to the campus. Teachers and students welcomed us and repeatedly gave thanks for the gifts.

And we thanked them, in return, for giving us the opportunity to share in their accomplishment.

Over the years, we have come to appreciate how efficient, friendly, and professional the staff members at Lampson School are. On a day not long after the reading celebration, we prepared and served a luncheon for Lampson staff to honor their dedication to the children. CC Schools Superintendent and Family Ministries Director Shelia Coleman welcomed them and shared from her heart, teacher-to-teacher.

It is because of faithful volunteers, generous donations, and the support of the Crystal Cathedral family that our connection with this neighboring school has forged a deep and meaningful friendship in our community, and allowed us to love our neighbors as Jesus would.

Top: Cool bikes for exceptional kids.

Bottom: Pastor Jim with Lampson School reading super stars.
