

# Camera Permission Slip

Want to take photos at school for the yearbook? Great, just read the following rules and follow them to a "T" and we would be thrilled to have you taking photos. Don't follow the rules and your camera will be confiscated and you will be banned from bringing a camera to school again! The rules are simple:

1. Keep this completely filled out permission slip with you and your camera at all times. No exceptions. This permission is for YOU and your camera, not your friends and your camera.
2. Take photos of what you are signed up for on your permission slip only.
3. BE RESPECTFUL with your camera. Not everyone wants to have their photo taken so unless someone gives you permission to take their photo don't even think about it!
4. Don't disrupt your classroom or any teacher or event by taking photos. If you would like to move to a better spot to take photos then ask permission first.
5. No chimping at school – that means no showing off your photos on the back of your camera to your friends. If you are caught sharing the photos on your camera then your camera will be confiscated.
6. Submit your photos to the yearbook advisor either online at [images.jostens.com](http://images.jostens.com) (user id: 1129370 password: ccahs) or by turning in a CD or DVD within 7 days. If you take photos and don't submit any within a week then we will not allow you to bring your camera to school again. Do not submit prints – have a disc made when developing them.
7. If you are smart enough to operate a camera then you are smart enough to know where not to bring one - no cameras in the bathrooms or locker rooms.
8. Any questions about yearbook photos? Contact yearbook advisor Mrs. Walsh at [cw@cherylwalshimaging.com](mailto:cw@cherylwalshimaging.com) or leave a note in the office for yearbook advisor.

Thanks so much for following the rules and making it possible for YOU to be an essential part of your yearbook! We look forward to seeing your photos!
